PROGRAMME REPORT

- **Name of Program/Event:** Induction Programme of B. Sc. and M. Sc. Semester-I (2024-25)
- **Name of the Organizing Department:** Department of Science
- **Event/Programme Organiser:** Dr. M. S. Ambatkar, Dr. V. G. Manwatkar and Prof. S. R. Sarve
- **Date, Venue, Time/Duration:** 21st August, 2024, V. V. C. Samudrapur, Time 01:00 PM
- **Number of participated students/faculty members/research scholar:** 72 Members
- **Introduction of the event:**

The Department of Science organized an Induction Programme for the newly admitted B.Sc. and M. Sc. Semester-I students to help them transition smoothly into their academic journey. Held at the beginning of the academic year, this programme aimed to familiarize the students with the campus environment, academic expectations, and the resources available to them. The induction served as a platform for students to meet their peers, faculty members, and administrative staff, fostering a sense of community and belonging from the outset.

The programme included a series of sessions that covered various aspects of academic life, including an overview of the curriculum, examination patterns, and the importance of maintaining a balance between academics and extracurricular activities. Students were also introduced to the different laboratories, libraries, and other facilities within the department, ensuring they were well-prepared for the semester ahead. Dr. K. G. Rewatkar, principal, Vice Principal Dr. N. S. Shirbhate and IQAC Coordinator Dr. S. W. Samdurkar were present along with all faculty members for the induction program. Dr. M. S. Ambatkar, Head, Department of Zoology give introductory speech and Dr. N. S. Shirbhate briefed the students on the Academic policies, Code of conduct, E-resources and the importance of continuous assessment through her presentation. Principal, Dr. K. G. Rewatkar inspire and motivated the students to believe in themselves and carrier opportunities in B. Sc. Prof. S. R. Sarve, Head, Department of Physics proposed the vote of thanks for successful organization of the induction Program.

- **Objectives of the event:**
 - ❖ Familiarize students with the academic structure, curriculum, and expectations of the B.Sc. and

M. Sc. program.

- ❖ Introduce students to the various facilities available on campus, including the library, laboratories, and computer centers.
- ❖ Encourage curiosity and critical thinking by introducing students to the scientific method and research opportunities available.
- ❖ Organize activities that promote teamwork, communication, and leadership skills among students.
- ❖ Provide insights into various career paths available after completing a B.Sc. and M. Sc. degree.
- ❖ Encourage students to contribute positively to society by engaging in outreach programs, environmental conservation, and community service.

Photographs:

Outcomes:

- Students will be familiar with the curriculum, course structure, and expectations of the B.Sc. and M. Sc. program.
- Students will build new friendships and networks, which are crucial for collaborative learning.
- Students will gain insights into potential career paths related to their field of study.
