Programme Report: Inauguration of Physics Society

- **Name of Program / Event:** Inauguration of Physics Society
- **Name of the Organizing Department:** Physics
- **Date, Venue, Time/ Duration:** 20/09/2024, Thursday, 11:00 PM, Auditorium Hall.
- **Number of participated students/ faculty members:** 64 Students,

Introduction:

The Physics Society at Vidya Vikas College, Samudrapur, was inaugurated with great enthusiasm on 20th September 2024 in the college auditorium. The event was graced by distinguished guests, including Principal Dr. K.G. Rewatkar, Vice Principal Dr. Naina Shirbhate, Head of the Physics Department (HOD) Mr. Sadanand Sarve, and Dr. Nitesh Shambharkar. Mr. Sadanand Sarve, HOD of Physics, introduced the new Physics Society members and shared valuable insights on future opportunities in science and technology. He also explained the society's goals and highlighted the exciting activities planned for the year. Principal Dr. K.G. Rewatkar, the president of the program, delivered an inspiring speech, urging students to nurture a passion for science and explore the endless wonders of physics. The event concluded with a heartfelt vote of thanks from the President of the Physics Society, expressing gratitude to everyone who contributed to the program's success. The session was skilfully anchored by Dr. Narule, with Dr. Shambharkar playing a key role in organizing the event. The inauguration marked the beginning of a vibrant journey for the Physics Society, promising a year filled with learning, exploration, and exciting opportunities for all students.

Objective:

- **Promote Scientific Curiosity:** Foster a deep interest in physics and inspire students to explore the wonders of science. Encourage a passion for scientific inquiry and innovation through inspiring speeches and guidance.
- **Enhance Knowledge:** Provide opportunities for students to learn beyond the classroom through interactive activities like workshops and seminars. Offer insights into career paths and advancements in science and technology.
- **Foster Innovation:** Encourage creative thinking and problem-solving through society-led programs. Create a platform for collaboration and idea-sharing among students and faculty.
- **Encourage Active Participation:** Motivate students to actively engage in events, fostering teamwork and hands-on learning experiences.
