PROGRAMME REPORT

- **Name of Program/Event:** Inauguration of Botanical society and Guest Lecture
- **Name of the Organizing Department:** Department of Botany
- **Date, Venue, Time/Duration:** 06th September, 2022, V. V. C. Samudrapur,
Time 2:00 PM
- **Number of participated students/faculty members/research scholar:** 99
Students and 07 Faculty members
- **Name of the speaker /guest :** (1) Dr. Avinash K. Aney, Professor & Head,
Department of Botany, Science College Pauni, District-Bhandara
- **Introduction of the event:**

Department of Botany planned to form the Botanical society in the beginning of the academic session for the students to motivate in curricular aspects. It is the platform of students to exposed their exposure through various activities which are conducted by the department. The main purpose of the formation of botanical society is to selects the student panel called Executive Council designated with different positions and executive their role while conducting the various events in the college and there is a scope to show their talents. With this programme Department of Botany also organized guest lectures for the student of B.Sc. and M.Sc. students on the topic "Mutation Breeding: Concept and Practice"

The president of the function was Prof. Vasanti K. Rewatkar, P.G. Director, VVMS, Chief guest was Dr. A.K. Aney, Prof. and Head Dept. of Botany, Science College, Pauni and inaugurator of the programme was Dr. N.S. Shirbhate, Head Dept. of Botany and Vice-Principal VVM, Samudrapur.

The programme was inaugurated; welcome the guest by Dr. S.D. Yeotkar and Mr. Rahul

Pawar. Introductory speech and introduction of guest by Dr. V.G. Manwatkar. The announcement of student panel of botanical society was declared by Dr. N.S. Shirbhate. The talk was delivered by guest speaker Dr. A. K. Aney who effectively delivered and start his talk on brief history of Genetics and covered most important events in plant breeding (Mutation Breeding) including the contribution of George Gregor Mendel. He also effectively solved the queries raised by the students. At the end of session, he spoke on scope and opportunities for students in plant breeding. Overall, this was a very fruitful guest lecture as for as academic point of view.

• Objectives of the event:

- ❖ To make students aware of the Botanical society.
- ❖ To provide platform to students.
- ❖ To enlighten students of new information.
- ❖ To motivate the students for their creativity.
- ❖ To crate interest among student about the subject Botany.
- ❖ Students able to understand the basic concept of Mutation.
- ❖ Students aware about different plant breeding techniques.
- ❖ Students learn about Different challenges and constrains in mutation breeding techniques.
- ❖ Students understand the basic knowledge and history of Genetics.

Photographs:

Outcome:

Interaction with experts who have been invited for this event. It is a chance to the students to exposed their talents and speaking skills development through this event. It is a great opportunity to hear the experience resource person speech which is related to their curriculum. Students will understand the basic aspects of genetics and mutation breeding. Student will be motivated do research in plant Breeding.

Any Suggestion for future Improvement:

Power backup is essential for the smooth functioning of such events and proper sitting arrangement for the student is necessary.

Subject: Invitation for Guest Lecture

Respected Sir/madam,

On behalf of the Vidya Vikas Art's, Commerce and Science College, Samudrapur. I heartily invite to you for guiding our U.G. & P.G. Botany students on topic "Mutation Breeding: Concept and Practice", please accepts the invitation. Your guidance will be beneficial to students for the future growth.

Details of it are as below:

Date: 6.09.2022

Day: Tuesday

Time: 11.00 am

Class: B.Sc. Final and M.Sc. I & II

Total Students: 146

Thanking you

Yours faithfully,

Subject :- Regarding remuneration of guest (Botany)

Respected Sir,

Dept. of Botany organized guest lecture
on 6.09.2022 for guiding our U.G. and P.U.
Botany students on topic "Mutation Breeding:
Concept and practice, by Dr. Avinash K. Aney
Professor and Head Department of Botany Science
College, Purni Dist. Bhandara, the guidance of
Dr. Aney Sir will be beneficial to students for
the future growth, so we need remuneration
of 1500 Rs. ~~and~~ please accept the request.

Thanking you

place : Samudrapur.
