Introduction of the event:

The department of Commerce has organized the seminar of students on the topic "Job opportunities for commerce students." The main aim of this programme to give the guidance about above subject and give important guideline about Job opportunities to commerce students.

Objective of the event:

- 1) Awareness of Career Paths – Educate commerce students about various career opportunities available in fields like finance, accounting, marketing, banking, entrepreneurship, and business analytics.
- 2) Industry Insights & Trends – Provide students with insights into current industry trends, job market demands, and the skills required to excel in different commerce-related careers.
- 3) Skill Development & Readiness – Help students understand the importance of soft skills, technical skills, and professional certifications needed for securing jobs and excelling in their careers.
- 4) Networking & Employer Interaction – Offer students an opportunity to connect with industry professionals, recruiters, and alumni to gain guidance, mentorship, and potential job opportunities.
- 5) Internship & Placement Assistance – Facilitate interactions with companies and organizations that offer internships, entry-level positions, and placement opportunities to commerce students.

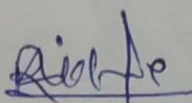

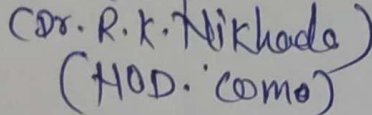

Photographs:

Outcome:

- 1) Student Enhanced Career Awareness – Students gained a clear understanding of various career options in commerce, including finance, accounting, taxation, banking, marketing, and entrepreneurship.
- 2) Industry Readiness – Participants developed knowledge about current job market trends, required skill sets, and professional certifications, making them better prepared for employment.
- 3) Improved Employability Skills – The program helped students improve essential skills such as resume building, interview preparation, communication, and networking.
- 4) Stronger Industry Connections – Students had the opportunity to interact with industry experts, recruiters, and alumni, leading to potential mentorship, internships, and job placements.
- 5) Increased Internship & Placement Opportunities – Many students secured internships or job offers, and companies gained access to skilled candidates ready for entry-level roles in commerce-related fields.
